- The school cannot filter Internet content accessed by a student from home, from other locations away from school or on mobile devices owned by students. The school recommends the use of appropriate Internet filtering software on such devices.
- Teachers develop a curriculum scope and sequence for cyber safety that includes teaching safe, responsible and ethical online behaviours (see Duty of Care Policy, Anti-bullying [including cyberbullying] and Anti-harassment Policy). The scope and sequence is consistent with the Victorian government requirements for curriculum (see Learning and Teaching Policy).
